

25TH anniversary

ONBOARD THE HARMONY OF THE SEAS

Welcome...

First of all, we would like to thank all of our fans around the globe for having shown us so much support every year.

When we celebrated our first festival back in 1999 in Miami, Florida, we didn't know what to expect. There have been around 3.250.000 attendants in total who have enjoyed our music since the start and that is prove that our work is very loved by you.

That's why to celebrate this special accomplishment, the **25th anniversary of the Ultra Music Festival**, we are hosting a cruise around the Mediteranean Sea onboard one of the biggest cruise ships in the world, the Harmony of the Seas.
